## In the Schools

Let us enrich your students' education by bringing our professional musicians into your school.

Riverside Symphonia is Delaware Valley's local symphony orchestra and it provides a variety of programs for students at all grade levels.

## Dress Rehearsal

*“Practice Makes Perfect”*

A great way to see how a symphony orchestra really works. This is a chance for students to hear how musicians perfect the music they play in a live concert. Teachers will be given program notes and talking points in advance of the afternoon dress rehearsal.

**Grade Levels: K – 12**

## Composition Workshop

*“Major or Minor – You Name it!”*

Students will spend time with a well-known local composer putting their musical thoughts down on paper. They will learn the tricks of the trade so that they can compose music for their own instrument and combinations of similar instruments.

**Grade Levels: 6 – 12**

## Performance Demonstration

*“Musical Chairs!”*

Pick an instrumental group from the orchestra (wind, string, brass, percussion) and let our Riverside Symphonia musicians teach your students all about it in an assembly at your school. There will be a short performance, a discussion of the unique aspects of the instruments, and an opportunity to ask plenty of questions. Have more than one instrumental group visit during the year and give your students insight into the entire family of orchestral instruments.

**Grade Levels: K - 12**

The Riverside Symphonia's Outreach Programs are made possible in part through collaboration with the Lambertville Area Education Foundation, the Delaware Township Community Education Foundation, the Alexandria Township Education Foundation and the Jonathan D. Krist Foundation.
